Spotlight

A development manager is charged with overseeing the fundraising, grant writing, and donor and sponsor relationships. A community development manager is also responsible for establishing and cultivating relationships with the community that the arts organization serves, so the programs and performances are reflective of that community.

Development is the act or process of creating and nurturing the relationships and partnerships that help to acquire the contributed revenue for an organization.

BENEFIT EVENT—a form of fundraising that involves organizing and staging a special event like a concert or dinner for charitable purposes.

CAMPAIGN—an organized effort to raise funds for a nonprofit organization.

CONTRIBUTED REVENUE— revenue that is given to an organization and can come from a variety of sources including donations, sponsorships, grants, and fundraising.

CULTIVATION—the act or art of promoting the growth or development of something.

Ohio Arts

DONATION— something that is given as opposed to earned. In the performing arts, a donation can be a gift of money, time, or resources.

DONOR RELATIONS—a planned program of maintaining donor interest through acknowledgments, information, and personal involvement.

EARNED REVENUE—revenue that is earned by an organization. In the performing arts, earned revenue primarily comes from the sale of tickets.

FUNDRAISING—the seeking of financial support for a charity, cause, or organization.
